1

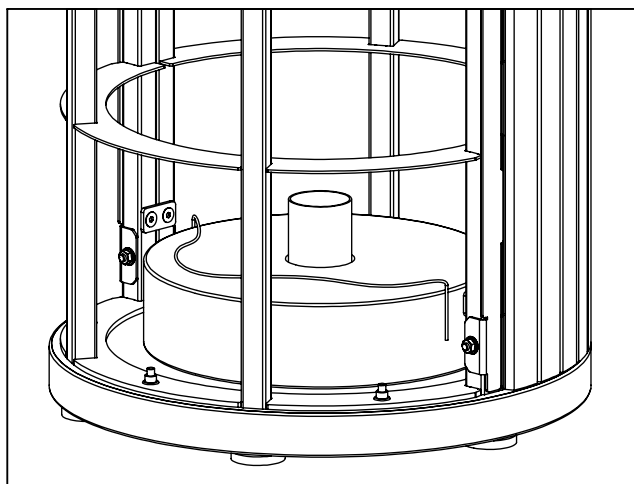

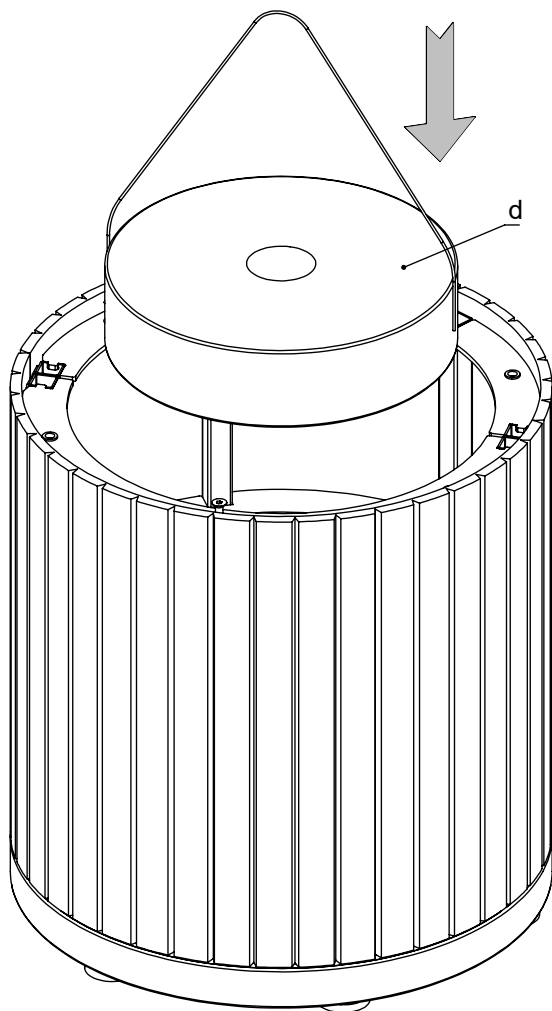

*

Remove the screws. Do not throw away, they will be required in later steps

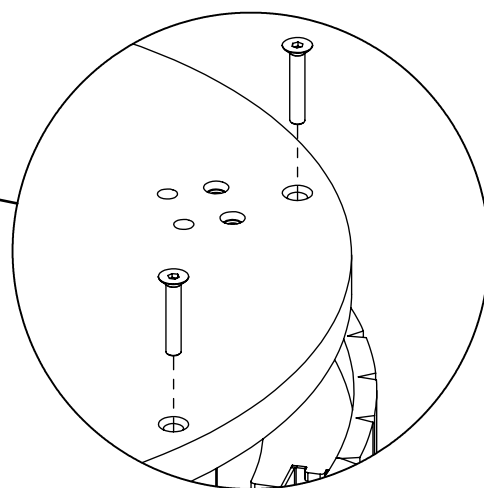

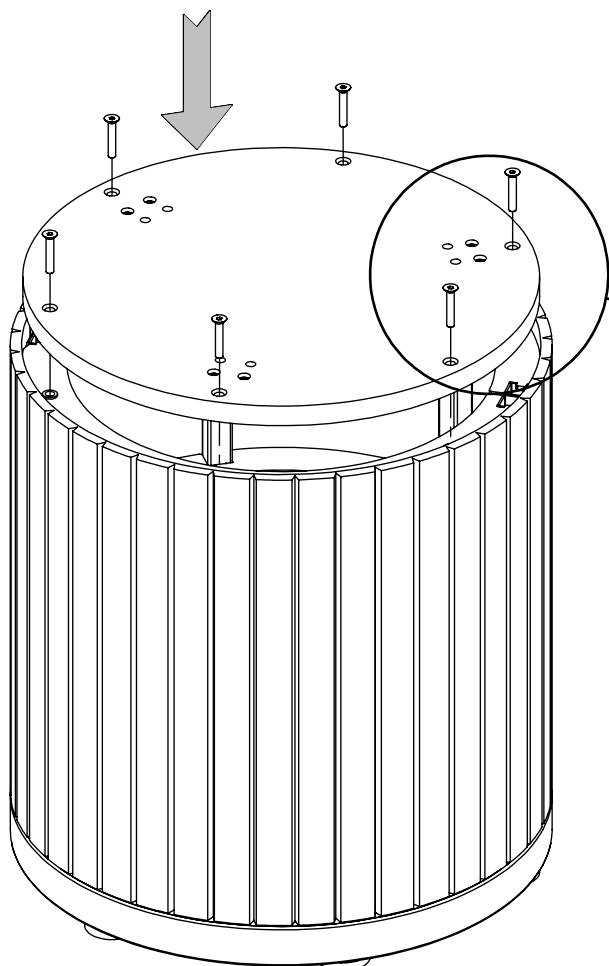

Entfernen Sie die Schrauben. Bitte nicht wegwerfen, sie werden in späteren Schritten benötigt

Retirez les vis. Ne les jetez pas, elles seront nécessaires dans les étapes ultérieures.

2

3

For tightening use screws removed in the first step

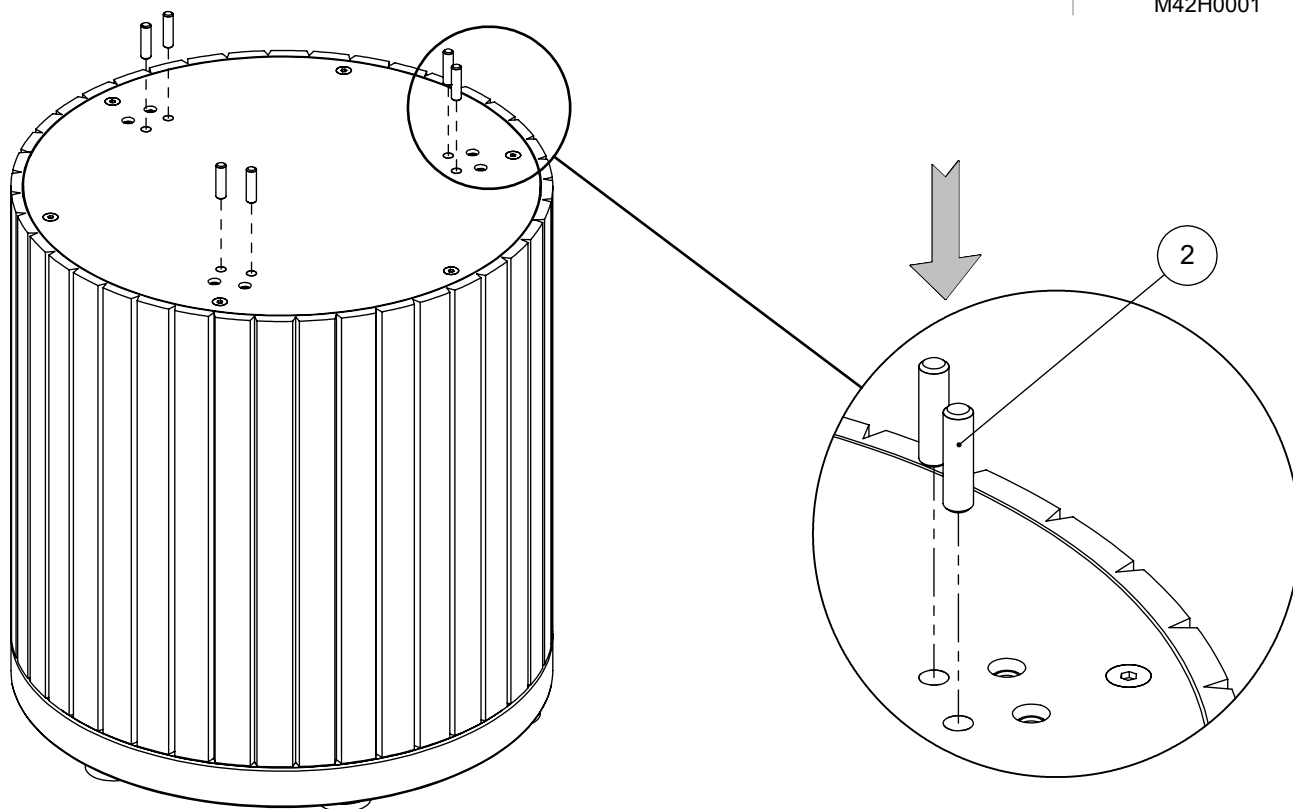

Zum Festziehen verwenden Sie die im 1. Schritt entfernten Schrauben

Pour le serrage, utilisez les vis retirées lors de la première étape.
